South Kanara Collector's Office,
Mangalore, 6th September 1935.

From

E. M. Gawne, Esquire, I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
Madras.

Sir,

Alienation - Land and Revenue - Udipi Taluk - Handadi village - S.No.99/2 - School, playground and garden - Breach of conditions - resumption.

******

I request that the Board may be pleased to sanction the resumption of S.No.99/2 of Handadi village.

2. The plot measures one acre in extent. It was alienated for school purposes in B.P.Mis.3095 L.R.& S., dated 20.10.1930 in favour of the Taluk Board, Udipi. Extension of time was granted till 31.3.1933 to the Taluk Board, Udipi in B.P.Mis.No.819, dated 10.3.1932 and another extension was given to it till 31.3.1934 in B.P.Mis.2399, dated 29.8.1933 to erect the school building. The site passed into the hands of the District Board with the abolition of the Taluk Boards in 1934 but no school building has been erected and the plot has not yet been used for the purpose for which it was alienated. I postponed action for resumption to see if the District Board after it took charge would do anything to fulfil the conditions of alienation. The District Board is however unable to find funds for the construction of a school building at present and it has agreed to the resumption of th plot by Government without compensation, in its resolution, No.94, dated 19.8.1935, a copy of which is enclosed.

3. There is no question of refund of any seigniorage in this case as there is no treegrowth on the plot and no

seigniorage was levied at the time of alienation. There are no improvements on the plot, except the foundation for the school building referred to in this office Ref.C.4197-30-A6, dated 9.9.1930 to the Board. Enquiry shows that this foundation was raised by the villagers, prior to the date of alienation and not by the Taluk Board as reported before. No compensation is claimed and none need be paid for improvements; the plot may be resumed. I propose to enter the plot in the prohibitory order book after resumption, with a view to make it available to the District Board for school purposes when the Board's finances improve.

4. I enclose this office R.Dis.File 4197-30, dated 30.10.1930 for reference and favour of return.

Your obedient servant,

Sivadhavarao
